COMPETITOR RESPONSIBILITIES

A boat is entirely responsible for her own safety, whether afloat or ashore, and nothing, whether in the Notice of Race or Sailing Instructions or anywhere else, reduces this responsibility. It is for the boat to decide whether she is fit to sail in the conditions in which she will find herself. By launching or going to sea, the boat confirms that she is fit for those conditions and the crew is competent to sail and compete in them. Nothing done by the organizers can reduce the responsibility of the boat nor will it make the organizers responsible for any loss, damage, death or personal injury, however it may have occurred, as a result of the boat taking part in the racing. The organizers encompass everyone helping to run the race and the event, and including the organizing authority, the race committee, the race officer, rescue boats, etc. The provision of rescue boats does not relieve the boat of her responsibilities.
